

Are you ready for a **dynamic** morning / afternoon? Do you like to experience two different elements? You've come to the right place!

**E-Mountain Biking** is really the next best thing on the island, because it allows basically everyone (kids >8 years & adults) to follow an amazing path and discover Ibiza's rural lines. Old houses & local culture.

After crossing the land, our water-sports team will take over the tour and we'll pump up the adrenaline by doing an exciting session of cliff jumping.

Needless to say you'll be properly prepared by our experienced instructors to ensure a safe landing.

**Cliff jumping** not for you? You can also choose to do this package with our private STAND UP PADDLE TOUR.

#### WHAT TO EXPECT?

This activity usually starts directly from your accommodation, however in the case that you choose to do the tour in a different location, you will need to arrange transportation to the eBIKE start point + pickup after you finish the water sports.

Our team can also arrange for a private picnic on the cliffs or make a reservation at a restaurant for you.

#### SAFETY NOTICE

We do want to remind you that Cliff Jumping is a **potentially dangerous activity** that should not be tried without the guidance of an experienced instructor.

Our team is vigilant with safety and carries a first aid kit and water rescue gear at all times.

**If you already have experience** be sure to let us know and we will customize the tour to your skill in order to take your experience to the next level. We have amazing staff, and we do our best to pair the right guide for you and your group to ensure the best adventure possible.
