

ROCKID BOAT DAY

If the weather and wind direction allows, you can enjoy this experience in the area of the mystical island of ES VEDRA. We explore the surroundings in a SUP or by snorkeling in order to feel the energy Es Vedra is famous for. During this boat adventure we can also visit the unique rock formations of ATLANTIS where we will practice some amazing cliff jumps with our expert instructor, and explore the area. If the wind conditions are unfavourable (think waves, jelly fish) we will relocate and do this incredible day on the east side of the island and explore the area of Pou Des Leó and Tago Mago island.

This day includes an introduction to Cliff jumping which is an amazing activity for everyone who likes a bit of a challenge! We start with a little bit of theory, proper safety instructions and a warm up.

Our cliff jumping staff have been carefully selected and trained, they are passionate about the sport, have a keen sense of safety and know how to challenge you in ways that will surprise you.

Cliff jumping not for you? You can also choose to hang out on one of the onboard STAND UP PADDLE BOARDS.

Adventure makes you hungry! Therefore we provide a delicious PICNIC with organic products from the islands and cold drinks!
