

WATERSPORTS GYMKHANA

This package is especially designed for water funseekers who like to try out the coolest water toys of Ibiza. We kick off with the thrill of jumping from heights (Cliff Jump), followed by cruising the water surface and discovering underwater life on Seabobs, Jet Ski and Fliteboards/Jetsurf boards.

If you wish to chill, we can also drop in a SUP board for someone to sunbathe, film from the water, or just to cheer on your mates!

No matter how experienced you are, newby or pro, our instructors have all the knowledge needed to make sure you get the guidance required in order to make this journey an unforgettable one.

Young or old, this is definitely a must do for everyone who likes to be in the water and experience the sea in a total different way. Although we do not recommend this for kids under 8 years old.
