

KAYAK EXCURSION

KAYAKING has always been a fun activity that everyone can enjoy. It allows you to discover those unreachable parts of the coast, caves, and hidden beaches.

Our guides have amazing knowledge of the island and will make sure to take you to the best secret spots in the area. We standardly use double kayaks to have more paddle power and it allows you and your boat partner to enjoy this experience to its fullest. Single Kayaks are available on request.

On this excursion, we stop regularly for refreshing dives in the turquoise painted sea. Put on your snorkel mask to discover the depths of the ocean or simply cool down a bit.

Kayaking is perfectly suited for big groups, families with kids or corporate trips. It allows many people to do the activity together at the same time. Each at his own pace.
