

# SECRET SPOT HIKE & SWIM

The best way to explore Ibiza and connect with nature is by foot!

No matter how many times you have visited this beautiful island, there are always new places to discover. Our specialized hiking guides have a vast knowledge of the island and its hidden treasures...discover ancient villages, overwhelming sea views, pirate towers, secluded bays, coves... be prepared for some breathtaking sights!

**Hiking** can be done by everyone who owns a great pair of legs. Kids, families, big corporate groups, small private groups. We offer different levels, numerous locations and are bookable throughout the year! Based on your needs, desires and difficulty level, our experts will choose the perfect track for you. Just let us know when & who, and we'll provide you with the most suitable options.

In summer we tend to organize our hikes along the coastline. What better way to refresh yourself is to dive into the crystal clear blue water? Of course it's all up to you where you want to go, our team of experts can advise you on the most amazing routes throughout the coastline- and inner part of the island. Don't forget your sunscreen!

#### WHAT TO EXPECT?

In case you need we collect you directly from the hotel or villa and the fun starts there, our team can arrange a private transportation to and from the activity starting point. They can also arrange a private picnic on the cliffs or make a reservation at a restaurant.

We will share with you our knowledge during the activity to really make it unforgettable.

And if you want to have a special souvenir we can arrange a shooting with "GoPro" or drone as well.
